MCCV Social Support Newsletter

Welcome to this special edition of the MCCV Social Support Newsletter. We hope that you are all keeping safe and staying indoors as much as possible.

We are dealing with a situation which is new to all of us. It is very important that you maintain contact with your loved ones and friends and do not shut off to the outside world. Our staff are calling all of you every two days and hopefully this is making a small difference in your lives.

We are monitoring the Covid-19 situation every day and keeping up to date with advice from the Chief Medical Officer and the Department of Health.

At the end of this Newsletter you will find some information about Covid-19 in Maltese and English. This will hopefully help you to understand the situation a little better. Please follow all of the safety information and do not hesitate to call your doctor if you have any of the symptoms mentioned.

We are happy to inform you that as of Monday 11 May, we will be providing a shopping service and a window visitation service. A letter has been sent out to you with more details about these services. If you are interested, please call the number on your letter so that services can be arranged for you.

We have included a number of photographs in this edition all kindly supplied by Frank Abela. We think it will be nice for all of you to look back on happier times and see some of the wonderful friends you have all made at the centre. Please believe that we will get through this and be back to attending the Centre in the near future.

As soon as we have any information about returning to our normal groups, we will notify you and your family immediately.

We hope to see you all soon, but in the meantime, take care of yourselves, ask for assistance if you need it and please try and stay positive.

We miss you all and look forward to seeing you again very soon.

Maree Rizzo xx

HOW TO MAKE AN ACTOSPIRITUA COMMUNICA

FOR AN ENCOUNTER WITH JESUS

Create a space where you will be able to pray quietly. Focus on an image of Jesus and light a candle before Him. Make the Sign of the Cross.

READ THE MASS READINGS

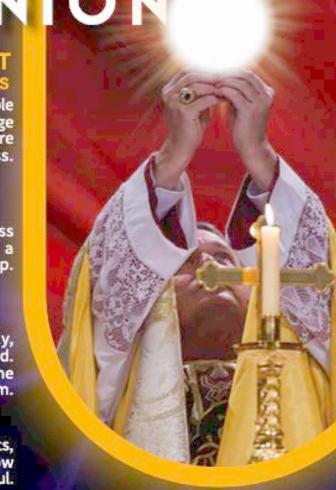

Slowly pray the readings for Mass of the day. These can be found in a Missal or on the Unversalis App.

FOR SPIRITUAL COMMUNION

Recite the prayer below slowly, meditating carefully on each word. Believe that Jesus will give you the grace of a real encounter with Him.

SILENCE

Remain in silence for some moments, with Jesus in your heart. Allow Him to love you and to nourish your soul.

- SPIRITUAL COMMUNION PRAYER -

My Jesus, I believe that You are present in the Blessed Sacrament.

I love You above all things, and I desire to receive You into my soul.

Since I cannot now receive You sacramentally, come at least spiritually into my heart.

I embrace You as if You were already here, and unite myself wholly to You.

Never permit me to be separated from You.

Amen.

LIFE, FAMILY

PRAYER FOR CORONAVIRUS OUTBREAK

Keep us, good Lord, under the shadow of your mercy, in this time of uncertainty and distress. Sustain and support the anxious and fearful, and lift up all who are brought low; that we may rejoice in your comfort knowing that nothing can separate us from your love in Christ Jesus our Lord.

Coronavirus (Covid-19)

Why this virus is so dangerous for older people and people with chronic medical conditions?

The risk of serious illness from coronavirus increases if you are older or if you have a chronic medical condition.

There is currently no cure or vaccine for coronavirus, or immunity in the community, so you need to make sure you protect yourself.

Protecting yourself

Good hygiene and taking care when interacting with other people are the best defences for you and your family against coronavirus. This includes:

- covering your coughs and sneezes with your elbow or a tissue
- disposing of used tissues into a rubbish bin and washing your hands
- washing your hands often with soap and water, including:
 - before and after eating
 - o after going to the toilet
 - \circ $\,$ when you have been out to shops or other places
- using alcohol-based hand sanitisers (60% alcohol), where available
- cleaning and disinfecting surfaces, you have touched
- stay 1.5 metres away from other people (social distancing)
- stay at home and avoid contact with others
- consider having the chemist deliver your medicines
- consider having your groceries and essential items delivered to your home

People with mild symptoms who are otherwise healthy should self-isolate. Seek medical attention if you have a fever, a cough, and difficulty breathing. Call ahead.

Symptoms

- fever
- dry cough
- tiredness
- sore throat
- aches and pains.
- nasal congestion.
- runny nose.
- sore throat.
- difficulty breathing.

If you develop mild symptoms of COVID-19:

- o isolate yourself from others at home and use a separate bathroom, if available
- use a surgical mask when around other people.
- o practise good hand hygiene
- call a doctor and tell them about your symptoms and whether you have had contact with someone diagnosed with COVID-19

If you have serious symptoms such as difficulty breathing call triple zero (000) Immediately.

Assistance with food and meals

If you are in urgent need of support, you can call My Aged Care on 1800 200 422 and they can refer you directly to these services in your local area.

Prioritised online grocery ordering

We have worked with a number of grocery suppliers, including Coles and Woolworths, on priority access to their online and telephone shopping service for older and vulnerable people.

If you are registered with My Aged Care, you can provide your My Aged Care ID number to access priority delivery.

Additional support for those in crisis

If you are an older Australian in crisis, uncomfortable with, or unable to access the internet to order groceries, and your support networks are unavailable, you can call My Aged Care on **1800 200 422** for help.

My Aged Care can help you access basic food and groceries. My Aged Care will also connect you to a service provider to ensure you have the ongoing support you need.

Australian Government

Coronavirus (COVID-19) — Tagħrif għall-komunità Awstraljana
