SCHOOL REPORTS

If you have not done so, now is the time to prepare your 2021_2022 school report for the FMLS AGM. It is important that schools share their experiences throughout the year on how they are progressing, obstacles encountered, and achievements. We all can learn from each other.

PROFESSIONAL DEVELOPMENT AND ACHIEVEMENTS

After the AGM, time will be allocated to whoever wants to make a presentation for this session. It is important that the FMLS executive is notified of any presentation at least 2 days before the meeting.
